Through the years, All in 1 SPOT with TheraTalk has offered, incomparable ongoing support, training, and mentorship, making all efforts to respond to our providers' needs. All in 1 SPOT with TheraTalk is known to speech therapy clinical fellows for offering the strongest supervision possible, with weekly direct supervision and meetings. Our speech therapist CF supervision exceeds NYS and ASHA requirements with constant availability of supervisors. Our speech pathologists/clinical fellows have a state of the art office to come home to after their school or early intervention sessions. Our office is over 4,000 square feet with individualized offices for our speech pathologists and clinical fellows, with plenty of parking available. Our cutting edge sensory gym provides an opportunity for multidisciplinary collaboration.

We are a DOE Primary Contract Agency with school positions throughout the 5 boroughs.

All in 1 SPOT with TheraTalk (ALL IN 1 SPOT) has been around for many years and is known for their reputable therapists. ALL IN 1 SPOT offers comprehensive Speech, Physical and Occupational therapy, Swallowing & Feeding therapy, Psychological services, ABA, and Special Instruction. ALL IN 1 SPOT works with the New York City Department of Education to provide quality services to students in their school locations as a primary contract agency and the New York State Department of Health Early Intervention Program. ALL IN 1 SPOT has an excellent reputation amongst families and are dedicated to providing the most up-to-date and evidence based children's therapy. ALL IN 1 SPOT 's directors' education, training and experience enlightens new staff with the most effective treatment programs for various speech/language, and swallowing/feeding disorders. Multidisciplinary collaboration experience.
